

Home decorative wall panels

Home decoration Application

Product Surface

PRODUCT SYSTEM

Marble design

Wooden grain

leather-grain

Painting

Metal design

Cloth design

Protection film:

UV resistant, scratch resistant, easy to clean

Decorative layer:

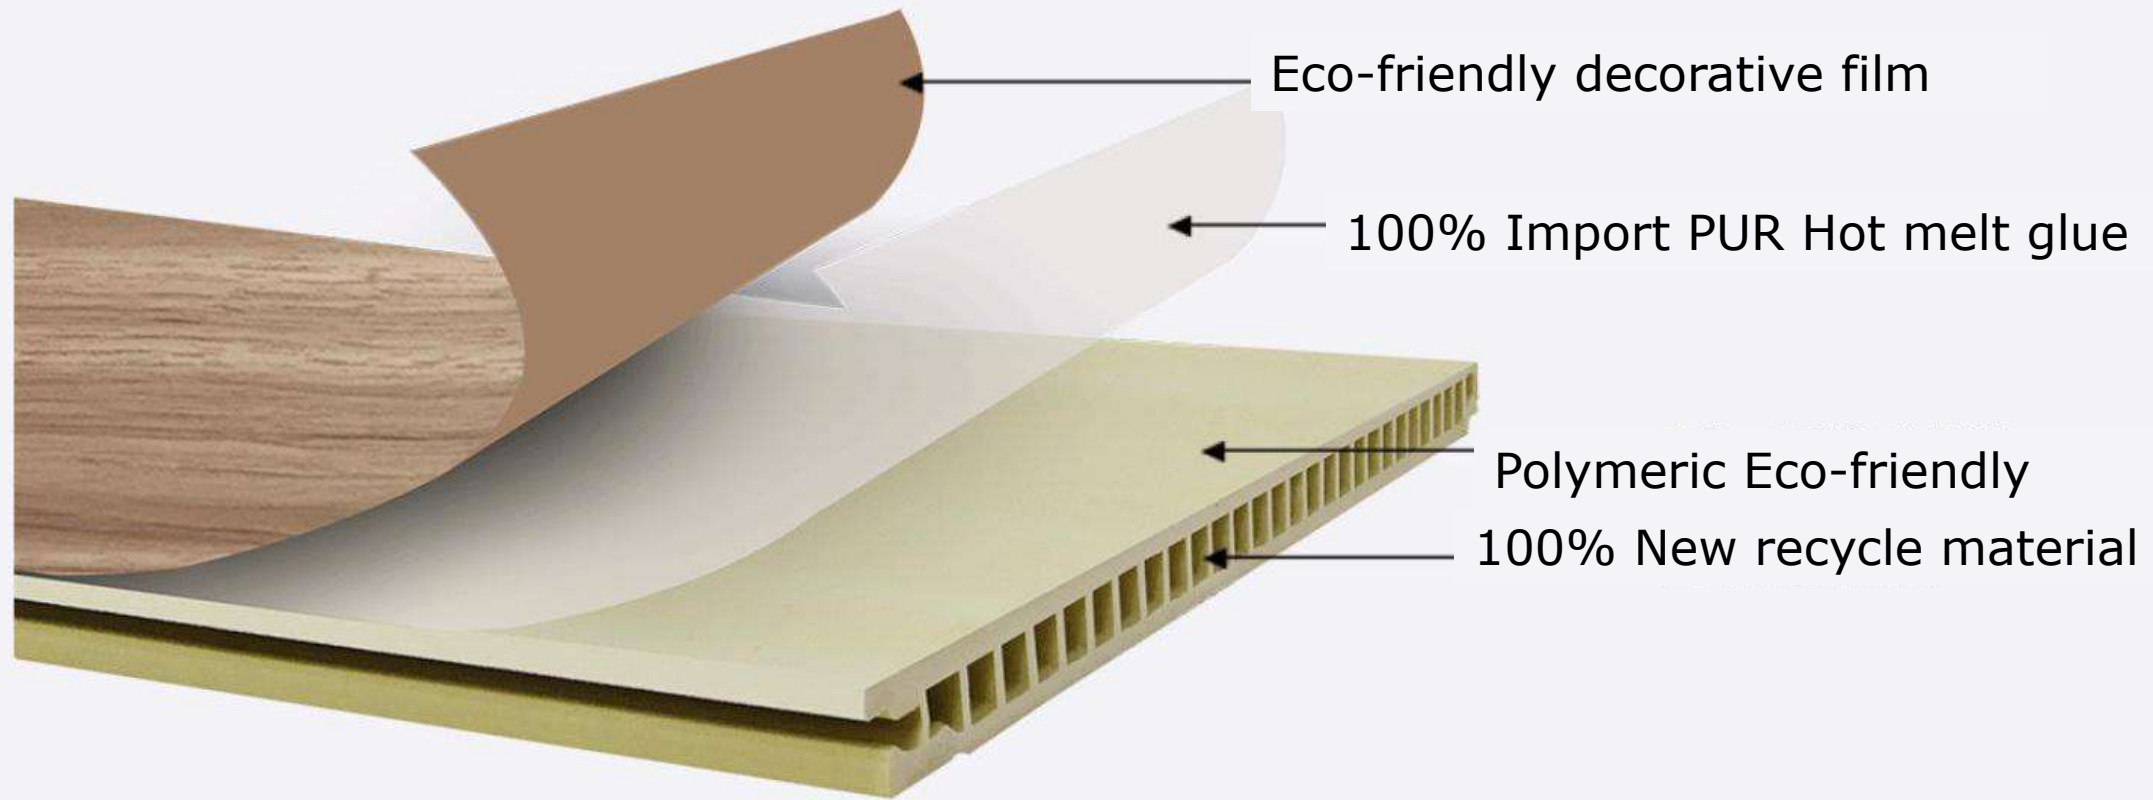

Different Surface design

Base layer:

Light weight, sound & heat insulation

Antiseptic layer:

Moisture-proof & moth-proof

100% Import PUR Hot Melt Lamination

PUR is a polymer compound with ammonia bond, because water in the air produces irreversible crosslinking reaction, and its adhesion degree and performance are far higher than that of conventional common glue

Wooden grain design wall panels

Material: PVC/WPC/SPC/

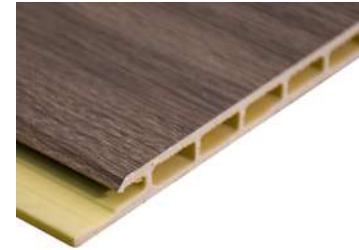

Aluminum honeycomb/Solid

Size: 550mm(W)*9mm(T)*2800mm(L)

600mm(W)*9mm(T)*2800mm(L)

Customized

Cross section:
(WPC)
